Usha Shriram Enterprises is a multi-product company. It is one of the most trusted brands in India with its focus on innovation and technology. The company offers a gamut of products lines such as: Lighting, Appliances, Cookware, Water and Air Purifiers, Fans, Mobile Phones, Furniture, Luggage, CCTV Camera, TV & Mattresses and has even diversified into the Hotel Industry.

Usha Shriram's products are marketed under various brands like USHA SHRIRAM Lighting, USHA SHRIRAM Cookware, USHA SHRIRAM Water and Air Purifiers, USHA SHRIRAM Mobiles, USHA EUROLEX LUGGAGE, USHA SHRIRAM Furniture and EUROLEX Appliances and Fans are trusted for their quality and reliability.

Usha Shriram Enterprises has built its reputation over decades through its quality products and excellent services ensuring customer satisfaction. The company's products are also exported to countries in the Middle East and Africa our products are tested for all necessary Indian and International standards at our extensive and well equipped testing facility.

The company believes that its strength is its talented workforce who remain motivated to exceed customer expectations and create customer delight always. This, is what has made USHA, USHA SHRIRAM & EUROLEX a force to reckon with in the industry and has also given the brands phenomenal goodwill.

Usha Shriram has one of the largest ranges in cookware. These include Pressure Cookers and Handis, Non-stick cookware, Hard Anodized cookware and Induction Base cookware. Our cookware product range is one of the finest and most comprehensive in the cookware industry. We've expanded upon existent technology, updated the designs and developed products for the next generation of cooking enthusiasts.

The cookware was developed to ensure that there would be a viable domestic cookware option for modern consumers who preferred quality products and did not consider cooking a chore. We take the time and care to make sure that every individual item of cookware delivers outstanding cooking performance, looks good, is easy to use and durable. With this dedication backing our designs, we give products that are central to shared experiences, strengthening relationships, building family feeling and creating memorable experiences and traditions around the table.

- **Features of Hard Anodised Cookware :**
- 2.4 times harder than steel.
- Non toxic, non staining and non reactive with food.
- Needs some oil or water to prevent sticking.
- Heats evenly and quickly and metal ladle friendly.
